

Polyethylene Bike Locker, Model R-8285

Increase accessibility at your business with the "peace of mind" model R-8285 bike locker. Perfect for areas that require heightened security, it melds a secure box-like construction with a versatile design that will complement almost any streetscape. The model R-8285 bike locker is composed of medium density polyethylene plastic, and features a triangle-shaped design that allows it to be surface-mounted on existing concrete surfaces - in circular or semi-circular patterns. 5 lockers placed side by side will also fit perfectly into a 90 degree corner.

Circular Placement

Straight-line Placement
